

Your school is taking you to NAJAH at the ADNEC Centre. Apart from a day out of school with your friends, what does this mean? Over the next couple of years, you are going to make one of the most important decisions of your life:

CHOOSING WHAT TO STUDY AT UNIVERSITY

This is kind of a big deal, no pressure! To support you with this decision, and to make sure you're fully informed of your options, we've put together the NAJAH event which brings together top universities from the UAE as well as over 150 universities from 20 countries.

NAJAH is your opportunity to find your ideal subject, type of course and study location all under one roof!

To help you make the most out of your time at NAJAH, we've put together a short list with tips on what to do at NAJAH and what questions you should ask when you meet with a university representative at the event.
