

We welcome the world, one student at a time.

ABOUT LANGARA

Langara is a public post-secondary college recognized as one of Canada's premier University Transfer institutions. We offer university, career, ESL, and post-degree programs that lead our students to successful academic and professional futures.

Our campus is located in a park-like area of Vancouver, Canada, a city that is regularly recognized as one of the most beautiful and liveable cities in the world. We are halfway between the international airport and Vancouver's downtown core, making our location ideal for students who are interested in taking advantage of all that the city has to offer.

THE INTERNATIONAL EDUCATION DEPARTMENT

International students are welcome at Langara, and we offer outstanding services and programs to support their learning and enhance their experience. In our view, every student is unique and we are committed to helping each of them identify and achieve their goals. We have a dedicated staff from all over the world who are trained to meet the needs of international students throughout their whole journey at Langara.

LANGARA HIGHLIGHTS:

1. We offer the largest university transfer program in Canada, with a proven record of student success.
2. The College is located in the heart of beautiful Vancouver, Canada.
3. We offer a wide range of student services specifically tailored to international students.
4. Our students get personalized attention from their instructors in a small class environment.
5. Our tuition rates are lower than universities.
6. We have three student intakes each year, with a wide selection of courses offered each term.
7. We offer an outstanding academic ESL program right on campus.
8. Our Homestay Program is recognized as one of the best in Canada.
9. Our students learn from award-winning instructors.
10. Our international students are eligible for off-campus and post-graduate work permits.

START HERE, GO ANYWHERE

As one of Canada's leading University Transfer institutions, Langara knows how to set students up for success. Our courses are recognized at this country's top institutions, giving our students a pathway that leads directly to a bachelor's degree. Starting your university studies at Langara means paying lower tuition fees, studying in smaller class groups, and getting more attention from instructors, all while earning the same course credits offered by Canada's best universities.

Partnerships with other Canadian universities makes the transfer process even smoother and faster. Each of these institutions has an excellent reputation, offers a wide range of undergraduate degrees, and supports international students with a full range of services. Langara students also transfer to other world-class institutions in Canada and the United States.
